

Recognizing the silent suffering of addiction

**Join us for a Lights of Hope candlelight vigil
Thursday, Sept. 7 – 7 to 8p.m.**

Novant Health UVA Health System recognizes that many of our family members and patients suffer from the disease of addiction. We will host a Lights of Hope candlelight vigil to remember the victims of the disease of addiction, including addicts lost in the ongoing opioid epidemic and their families. Attendees will be offered white LED candles, which can be wrapped in a ribbon to symbolize the addict's journey:

Red = active addiction

White = in recovery

Grey = incarcerated due to addiction

Black = deceased due to overdose or addiction-related incident

Location	Location in case of rain
CPMC Healing Garden	Cafeteria
HAMC Plaza	Community Rooms A & B
PWMC Courtyard	Conference Room A

Light refreshments provided. No RSVP needed.
